§ 50.01 UTILITY BILLS; COLLECTION.

(A) Charges for water and sewer service shall be billed jointly on a monthly basis, calculated during the last week of the month. Utility bills shall be mailed during the last week of each month and shall be due upon receipt and payable by the tenth day of each month. Bills paid after the tenth day of each month shall have a penalty charge added thereto in an amount set by fee ordinance of the governing body and on file in the office of the Municipal Clerk.

(B) Utility bill payments will be considered delinquent if not paid by the end of the first scheduled work day after the tenth of each month. Upon being deemed to be delinquent, as herein defined, the utility department may discontinue service pursuant to § 50.02. Once discontinued, service shall not be recommenced except upon payment in full of all delinquent charges and upon further payment of a reconnection fee in an amount set by fee ordinance of the governing body and on file in the office of the Municipal Clerk.
